

WOMAN'S SEAFARER'S FRIEND SOCIETY

MENDING KIT

Materials: Colorful fabric-corduroy, denim, sailcloth, etc
One snap or Velcro

DIRECTIONS

Cut two pieces – size of pattern on next page or one piece 15 x 4 ½
If using two pieces cut one in half, turn both cut edges under and stitch.
With right sides together, place two halves on uncut piece (if using one piece turn in both ends to form pockets.
Stitch entire outside edge together, thus forming the two pockets. Turn inside out squaring the corners, press. Stitch all around ¼ “ from edge.

Cut small oval of flannelette or felt with pinking shears. Place on finished kit as shown. Stitch across center, leaving side pockets free under flannelette.

Attach to flannelette a MINIMUM OF :

2 needles-medium size 2 medium safety pins 2 large safety pins
2 small safety pins 6 common pins

In one pocket put a piece of cardboard to which has been sewn (or use a 2 x 2 ziplock bag
1 large dark jacket button 2 white shirt buttons 1 dark pants button

In other pocket put a piece of cardboard wound with black, white, brown and gray thread, at least 3 yards of each.

Fold in half and sew snap or Velcro closing where outer edges come together.

You are finished. You have made a seafarer happy that he can replace that lost button or repair the rip in the seam!!!
