

NEW ENGLAND SEAFARERS MISSION

- Gift bags/boxes are a great way to let seafarers know that they are remembered and loved, all year round. These don't have to be just for the Christmas season.
- Our chaplains carry the bags (usually 24 to a ship) up the gangway and deliver them to the crew. So please, no large or heavy items, e.g. large bottles of toiletry items.
- Also no books, bibles (we have those in our vans to hand out when requested or needed).
- Gather your items, pack them securely in a bag or box and coordinate with the rest of your church or organization a drop-off point. Then they can be shipped to the Mission or picked up by one of our staff.
